- Imus City, Cavite

### LINKEDIN PROFILE

<https://www.linkedin.com/in/edicher-ponce-escol-8957b8238/>

### OBJECTIVE

Being a 3rd year student that is active in both academic and organizational work, I can confidently say that I have learned things about Programming and Organizational works; However, I still believe that there is so much more to learn and I will always have an open-mind to be mentored and learn from it. Even with my current experience, I can be of use in a larger organization and improve to be the better version of myself.
